mainstays

A COLLECTION OF STORYTELLING

Swamp Bandit 16

John Ashley; bootlegger, bank robber, bandit, and occasional pirate. Declared as the greatest threat to Florida since the Seminole War. This cocktail is inspired by the fiery gun fights hidden in the swamps of Florida's mysterious eco system. Florida's original Clyde. An ode to the King of the Everglades, The Swamp Bandit.

St. George green chile vodka, Cointreau, pineapple, matcha, habanero, Winter Garden palmetto honey, egg white, everglades heat

Ghost of Ida 18

Homage to Ida Alice, Henry Flagler's second wife, who is known to haunt the floors of his former hotels, her loud boisterous laugh echoing down from the grand ballrooms. A fiery red head, Ida Alice was a force to be reckon with. She was fond of supernatural entities and frequented her Ouija board for answers.

St. Augustine new world gin, chamomile infused Dolin Blanc, blueberry, blood orange, grapefruit burlesque bitters, vanilla, rose, smoke

Ramos Fizz **17**

Nolets gin, Campari, crème de passionfruit
lemon, lime, egg white, cream, Campari dust

The Real McCoy 16

The rumrunner of the Prohibition Era. Bill McCoy was so successful at smuggling rum into the country, the US Coast Guard had to draw new sanction lines defining international waters. Never one to cut his rum, his stuff was known to be the highest quality, purest rum you can find; The Real McCoy.

Wicked Dolphin gold reserve rum, Giffard banana de bresil, xocolatl mole bitters, cocoa extract

Crossing the Gulf 17

The Gulf of Mexico was known to harbor some of Florida's most infamous pirates- who ruled the waters and schemed their ways onboard ships to rob them of treasure. The coasts along the Gulf, and its tiny islands just off the waters, are said to have buried treasure underneath its sands but the treasure has never been found.

Tres Generaciones reposado, Cynar, orange, vanilla, blood orange sun

seasonal

MILITARY MAP
OF THE PENINSULA OF
FLORIDA
SOUTH OF TAMPA BAY
NOTE

A story lies behind every person, every place, and every creation. The ground you stand on is rooted in the experiences that came before you, and those experiences define the menu you see here. The Sunshine State has long been regarded as 'The Happiest Place on Earth', with its seaside ventures, subtropical landscape, and sun-filled days. In the early years of the 20th century, Florida was booming. Everyone was flocking to paradise. Businessmen, bankers, politicians, movie stars, the greats, the famous. And the infamous. The rebels that showed disregard for those Prohibition laws so much the state was often headlined "The Wettest Place in America". Or the trouble makers, Florida's own Bonnie and Clyde, rangled in decades long disputes with the local sheriffs. We find inspiration in the classics, the cocktails that have lasted through the decades of trends and changing palattes, and we break them down and build them up our way, to bring something new to you. We source local and regional ingredients to highlight what this state has to offer, but we won't shy away from the global specialties, either. We hope you explore this menu, and find your story in what we create. Cheers to that.
