

TREATMENTS

Aromatherapy Associates

Aromatherapy Associates have been at the forefront of aromatherapy for over 30 years. Their essential oils, with unique and recognisable aromas, are highly effective in enhancing physical, mental and emotional wellbeing.

Carol Joy London

Carol Joy London, a luxury British brand, is a pioneer in clinically-proven pure collagen spa treatments. With beautiful and luxurious skin, hair and body care, Carol Joy London combines the best of science and nature to provide instant and transformational results. Treatments are driven by quality and integrity, using ingredients such as golden millet oil, clinically-proven to regenerate, repair and protect against environmental damage while increasing moisture levels.

La Prairie

La Prairie traces its heritage to the renowned Clinique La Prairie in Montreux, Switzerland, a pioneer in anti-ageing therapy. Going beyond conventional spa treatments, La Prairie uses breakthrough biotechnology and cosmetic artistry, reinforced by head-to-toe relaxation techniques.

Valmont

For 30 years, Valmont has relied on the expertise of Swiss cellular cosmetics, the legacy of the famous Valmont Clinic, with treatments offering instant and lasting results of unparalleled quality. Switzerland's pure, protected environment is the foundation of these cosmetics, and their exceptional qualities are derived from an alliance between Alpine ingredients and cutting-edge scientific expertise.

Opening hours

The Dorchester Spa is open from 7am to 9pm Monday to Saturday and from 8am to 9pm on Sundays and bank holidays.

THE DORCHESTER SPA INFORMATION

You will be provided with a locker which contains a personal safe, robe and flip-flops. The Dorchester regrets that it cannot take responsibility for valuables not placed within the locker safe.

You are respectfully advised that the full treatment cost will be incurred if less than 24 hours' notice is given of an appointment postponement or cancellation. Credit card details are required at the time of booking to secure your appointment.

Facial, spa body and massage treatment durations include a few minutes for you to discuss any health concerns or potential contraindications with your therapist that she/he should be aware of prior to the commencement of the treatment. You will also be required to complete a consultation form prior to using the spa facilities. This is treated in the strictest confidence and held for six months only.

All treatment details and prices are subject to change and subject to availability.

Aromatic steam room

The steam room at The Dorchester Spa is provided by Helo UK, who pride themselves of the innovation and design of their steam generators. Dependable, quality-focused, and energy-saving, they produce a faultless high-humidity climate for relaxation and revitalisation.

Steam has purifying qualities on the body, assists with unwinding tight muscles and stimulates blood flow.

Sound advice

Expectant mothers and those having a waxing treatment are advised not to use the steam room.

We recommend a minimum of 24 hours between waxing and any other body treatment or exposure to heat.

Conditions

The Dorchester Spa respectfully reserves the right to decline to administer any treatment. Treatments are suitable from the 14th week of pregnancy and for nursing mothers.

Children under the age of 16 are not permitted in The Dorchester Spa. We regret that we do not provide a treatment service for children under the age of 16 years.

Relaxation Room

This serene and spacious room is dedicated to deep relaxation and features a choice of day beds and winged armchairs. The Relaxation Room can accommodate up to 14 guests and you are welcome to enjoy it and the spa facilities up to one hour prior to or following your appointment. This applies to treatments of 55 minutes or more.

Fitness studio

The Dorchester fitness studio is equipped with Techno-Gym cardiovascular and resistance equipment, as well as a full set of free weights, swiss balls, a BOSU ball and a range of medicine balls. It is available to spa members and hotel guests and is open daily from 7am to 9pm.

THE DORCHESTER SPA INFORMATION

Personal trainer at The Dorchester

Take your fitness to the next level and work out with personal trainer Simon Inman in the beautiful surroundings of Hyde Park, as well as in the Techno-Gym at The Dorchester Spa.

With more than 25 years' experience, Simon's bespoke programmes combine HIIT with strength and nutritional advice to help you work out more efficiently.

Start your fitness journey with a one-hour consultation where we will look at your lifestyle and discuss how you can stay motivated, healthy and achieve your personal fitness goals.

Yoga and Pilates

We offer a variety of one-on-one yoga and Pilates sessions for all abilities. These sessions are by appointment and can take place in your hotel suite, in the fitness suite or in a private area with one of our fitness professionals.

FACIALS

Aromatherapy Associates Rose Facial

60 minutes

This luxurious facial harnesses the regenerative properties of rose to nourish, soften and hydrate all skin types, especially dry, delicate and finely textured complexions. This treatment helps to boost circulation and promote cell renewal and regeneration, leaving your skin radiant.

Aromatherapy Associates Soothing Facial

60 minutes

A soothing and calming facial suitable for irritated or inflamed skin, helping to restore its defence system. A soothing facial massage is performed with a calming blend of camomile oils, as well as a relaxing scalp, neck and shoulder massage.

Valmont Energy Ritual

60 or 90 minutes

This cellular renewal booster treatment begins with a rejuvenating facial massage using their Prime Renewing Pack to feed vital nutrients to the skin for a youthful glow. The regenerating collagen mask smooths and hydrates for an immediate tensing and firming effect.

Valmont Anti-Ageing Ritual

60 or 90 minutes

To delay and prevent the effects of ageing, Valmont has created a powerful anti-wrinkle and firming treatment. Fine lines are visibly minimised, the face looks re-contoured and lifted, skin is plumped and tone is enhanced.

La Prairie Caviar Facial

60 or 90 minutes

With a high concentration of caviar extract, to combat the signs of ageing, alpha hydroxy acids and sea proteins give instant results, leaving skin transformed, lifted and illuminated.

La Prairie Cellular Swiss Ice Crystal Facial

60 or 90 minutes

This new facial encourages younger looking skin, infused with moisture and vital energy, whilst combining patent-pending biotechnology with the power of nature. The Swiss ice crystal complex is a scientific breakthrough that helps skin protect itself from the environment and the effects of time.

La Prairie Platinum Rare Facial

90 minutes

From the anti-ageing experts at La Prairie comes a head-to-toe treatment with an infusion of pure platinum to restore balance and a sense of wellbeing. Two therapists pamper the skin using the high-performance Platinum Collection, including cellular cream and serum, leaving skin hydrated and glowing.

FACIALS

Carol Joy London Pure Collagen and Oxygen with Diamond Touch

90 minutes

The ultimate facial for skin displaying signs of photo-ageing, environmental damage and stress-related concerns, such as redness, blemishes and dry, uneven patches. Diamond touch microdermabrasion diminishes the pigmentation and refines skin texture. Collagen-boosting cellular vacuum massage plumps and drains toxins, and pure hyperbaric oxygen boosts cell renewal and repairs damage. These amazing results are enhanced with regenerating organic golden millet oil. The myo-col lift technique, combining the pure collagen mask and myofascial lifting massage, sculpts face, neck and shoulder contours, providing an instant lift. Relaxation is further enhanced with a choice of soothing acupressure scalp massage, leg and foot massage, hand and arm massage or a digestion-calming stomach massage.

Carol Joy London Pure Collagen Sculpting Eye Lift

35 minutes

Using pure collagen, this eye lifting treatment delivers instant and transformational results for those needing a quick fix. The eye contour is sculpted, plumped and brightened with our unique myo-col lift technique, which combines the pure collagen eye mask and myofascial lifting massage techniques. These are further enhanced with organic golden millet oil. The lymphatic system is boosted to increase drainage, reducing puffiness and dark circles with precious jade, while a scalp massage induces relaxation. The result: firm, hydrated, bright and radiant eyes. Ideal for lines, puffiness, dark circles, wrinkles and head tension.

Carol Joy London Pure Oxygen Cell Rejuvenation

60 minutes

Designed for skin subject to environmental damage and cellular ageing, this machine-led facial delivers pure hyperbaric oxygen to boost cell renewal and repair damage. This allows active ingredients, including organic golden millet oil, collagen-boosting peptides and hyaluronic acid to balance and calm skin. During the application of a skin-plumping pure collagen mask, a neck and shoulder massage eliminates tension. Ideal for city dwellers, frequent flyers, mature, sensitive, or stressed skin.

FACIALS

The Dorchester Spa Signature Facial by Carol Joy London

60 minutes

This massage-based facial is deeply hydrating, lifting and plumping. Youth-promoting properties rejuvenate and instantly brighten even the driest, dulllest, complexions, thanks to organic golden millet oil, and a pure collagen mask. A face, neck and shoulder massage defines and lifts facial contours, during which, you can also opt for an acupressure scalp massage, leg and foot massage, hand and arm massage or a digestion-calming stomach massage. Ideal for dry, dull, irritated skin.

Carol Joy London Pure Collagen Youthful Lift

90 minutes

This luxurious massage-based facial delivers clinically-proven results to skin lacking elasticity and vitality. The myo-col lift technique combines the pure collagen mask and myofascial lifting massage to sculpt face, neck and shoulder contours, providing an instant lift, whilst stress-reducing acupressure boosts energy. During the lifting mask, you can opt for a soothing acupressure scalp massage, leg and foot massage, hand and arm massage or a digestion-calming stomach massage.

Best for lack of tone, devitalised, dull and environmentally damaged skin.
