Welcome to Aquarea SPA

Before and after: To maximize your Spa experience, we recommend that you arrive 15 minutes before your appointed time. This will allow time to fill out a brief health questionnaire. Consult with your therapist, and to prepare for your appointment in our locker area. Please arrive promptly so your treatment time does not have to be rushed or shortened.

What to wear or bring: Please wear comfortable clothing. You will be provided with a changing area and locker for your personal belongings, as well as disposable panties/briefs, spa robe and slippers. Please do not bring valuables or jewelry, as they will have to be removed for all treatments. All charges will be added to your hotel account when finished, so you will not need to bring cash. If you prefer wearing a swimsuit or underclothes during your treatment, please let your therapist know to help ensure your privacy and comfort.

COMPLIMENTARY FACILITIES

Jacuzzi

Sit back and let yourself go in the pleasant sensations of water in movement. A form of gentle massage utilizing the naturally healing properties of water, it is a wonderful way to transport your soul to another dimension.

Sauna

An ancient process that induces relaxation and heavy sweating. It is believed that the induction of sweating helps to eliminate toxins from the body. At the same time, the exposure of the skin to heat stimulates the production of disease

fighting white blood cells and antibodies, while strengthening the immune system.

Therapy pool

Aquarea Spa understands and respects the element of "water", as one of the purest of natural elements. Through the different movements of the water in our exclusive therapy pool, you will experience unique hydro massages which will not only delight, but relax you completely.

Fitness room

Our complimentary fitness area is located within the Aquarea Spa complex. It is equipped with modern cardiovascular and weight lifting equipments for the health enthusiast. Water and towels are provided for your convenience. Gym hours are from 8:00am to 8:00pm daily. Locker and shower facilities are available at the entrance to our spa facility. Don't forget our complimentary steam room, the perfect way to end a workout routine, naturally reducing the lactic acids known to cause muscle soreness.

MASSAGES

Aquarea Relaxation Massage 25 minutes, 55 minutes

Take a deep breath and release the tension as you float on the path to pure relaxation in this unforgettable experience. Traditional techniques focus on balancing the chakra points, with a massage that features smooth, light movements, allowing your body and mind to achieve a state of total relaxation, while increasing circulation and reducing muscle soreness and fatigue. The perfect start to your vacation.

Deep Tissue Massage 25 minutes, 55 minutes

This massage is recommended to relieve muscular tension and pain or for those who enjoy a strong, deep massage. This therapy is perfect before or after an exercise routine or physical activity. Ease joint pain and discomfort with this intense muscular massage, highly effective for stress reduction combines pressure point work with deep muscle stroking.

Lymphatic Drainage Massage 60 minutes

Lymphatic drainage uses talcum powder with a light, gentle rhythmic pumping movement to the direction of the natural lymph flow of the

"Live the experience in

Aquarea Spa"

Enjoy the wonderful and exclusive treatments with recognized products brand that will transport you to a world of total relaxation. With the aromas of essential oils from natural blends for the first time, you will not only feel the pleasant sensation on a physical level but also on a spiritual one. These essential aromas act on the mind and soul, calming and bringing both to a natural state of being.

Showers:

We have a variety of showers

body. This method works to produce rapid results in reducing swelling and removing toxins found in the connective tissue, while increasing oxygen in the bloodstream. Additional benefits include a relaxation response to the instant reduction of pain, lessening of water retention, and an apparent enhancement of the immune system.

Combination Massage 80 minutes

Enjoy the wonderful combination of massage techniques; be pampered by these exquisite therapies tailored to their individual requirements and physical condition. This is the best way to explore and enjoy the extraordinary world of relaxation. Best of both worlds! Combine relaxation in areas of muscle pain in tense areas and a perfect combination.

Aquarea Aroma Stones Massage 80 minutes

This pleasant massage is performed with precious hot stones, those are placed in different points of the body, in order to alleviate pains, to relax the muscles, to give vitality, energy and to release tensions caused by the routine. Let us to surround you with an invisible heat mantle, aroma and relaxation. That they pierced into you, until leaving full of peace and renovation all in once.

Therapeutic Private Jacuzzi

Therapy Jacuzzi is one of the gentlest forms of achieving true relaxation without the need of a physical contact. A virtual sanctuary of tranquility in a private therapy tub allowing stress relief using different techniques, pressures and water temperatures designed around each clients necessities and preferences. This is just one of

the alternatives that **Aquarea Spa** offers you to relax and get rid of your stress. Especially effective for those with sunburn or hyper-sensitive skin, we offer six types of hydrotherapies to choose from.

- **Jacuzzi Revitalizing 30 min**
- **Jacuzzi Relaxation with Aroma 30 min**
- **Jacuzzi Invigorating 30 min**
- **Jacuzzi Regenerating 30 min.**

Sea Crystal Hydrotherapy 30 min.

This therapy is based on the mind, body and soul relaxation, as its gentle rhythm moves over your body, with aromatic sea crystal salt giving the touch of harmony and spiritual tranquillity that the body needs.

Wine bath with rose petals therapy 30 minutes.

The best option at the moment you pamper your body and soul... it is with the delicious aroma, the texture and the flavor that the wine has; the movements and temperature of the wine mixture, they're perfect to find that sensation of pleasure and exquisites, adding to this, you can enjoy a wine glass during their experience.

Body treatments with massage include it.

Therapeutic Treatment 55 minutes

This treatment is designed for those who suffer from pain or muscular tension. Application of green curative clays to specific zones of the body works to accelerate and alleviate pain and muscular tension by incorporating the soothing and anti-inflammatory properties found not only in the clay but in the essential oils which your therapist carefully chooses for each session. **It finishes with 25 min deep muscular massage.**

Anti-aging restorative with natural clay 60 minutes:

A treatment that serves to nourish and rehydrate skin, based on the essential oil, as well as natural clays that work to deeply nourish the skin. First, a gentle superficial peeling is performed with bamboo and jojoba, removing dead cells. The body is deeply treated with special organic clays to regenerate elasticity and youthfulness to the skin. **It finishes with 25 min relaxing massage.**

Marine mud Treatment 60 minutes:

A body wrap designed to clean, to refresh, to rejuvenate and firming the skin, with the properties of the mud; from many centuries it has been a frequently used treatment, giving Immediate results, leaving smooth, fresh, oxygenated and hydrate skin. **It finishes with 25 min relaxing massage.**

Nutritive Rejuvenate Treatment 55 minutes:

Specially designed for the rehydration of skin that has lost its natural elasticity and moisture, leaving your skin feeling like new. This body wrap treatment leaves your skin clean & smoother and totally rehydrated. **It finishes with 25 min relaxing massage.**

Luxury Wine therapy body wrap.60 minutes:

Special envelope for tired skins, since, in agreement with the experts; they've verified that the wine is rich in polyphenols, very effective antioxidant agents that contribute to maintain the organism young; it is also a superb anti-aging aid, at the same time it stumps the existing wrinkles. It is furthermore rich in vitamins A, C and E; that applied to the skin they grant elasticity, renovation and firmness to the whole body.

Firming & toning seaweed body Treatment 60 minutes:

The objective of this treatment is to obtain a long - lasting toning effect & detoxification, which not only lifts, but firms while retaining the elasticity in the skin. This treatment begins with a gentle exfoliation and continues with the application of a specially formulated mask rich in trace elements and minerals, which accelerates the firming and natural lifting effect. Leaving the body newly toned, firmed, and truly invigorated. **It finishes with 25 min relaxing massage.**

Signature "rose therapy" treatment 90 minutes:

The treatment of aromatherapy is based on Roses' essential oil. The energy of the Rose Quartz (the most relaxing mineral), only a small Rose Quartz fragment will allow us to obtain a state of well being and happiness) and a reflexogenic massage has a direct action on the nervous system due to its anxiolytic effects and on the Central Nervous System with its histamine liberation effect. The treatment begins with a 20 minute of regenerating Jacuzzi with roses petals and continues with a full body massage with essential Roses' oil including a reflexogenic facial Massage, using the special pieces of Rose Quartz in this unique signature treatment.

"FACIAL TREATMENTS"

All this facials offer the necessary properties with highly

Quality products for skin care
