Teas & coffees

TEAS

Breakfast

A medium to strong full-flavoured breakfast tea. The blend brings together fine teas from India, Sri Lanka (Ceylon) and Kenya.

Peppermint

Wonderful blend of peppermint and spearmint.

Chun Mee

From the south of China this tea is noted for it's lively character and refreshing sharpness.

Earl Grey

A blend of choice teas flavoured with the oil from the peel of the bergamot fruit.

Jasmine

From the Fujian province. A semi-fermented tea scented with Jasmine flowers.

Lapsang Souchong

A very powerful tea with a tarry or smokey character.

Camomile

Enjoy either straight, with sugar, honey, or a little milk.

Berry Sextet

Berry Sextet fruit infusion containing grape, rosehip peel, blackberries, apple, hibiscus, blackcurrant, blueberries, beetroot, blackberry leaves, blackcurrant leaves and sloe.

Rooibos

Rooibos or Red Bush tea is grown in South Africa. The plant is Aspalathus lineares, a legume, and leaves are oxidised producing the reddish brown colour which is evident in the cup.

coffee

Chagga Blend (dark) coffee is also available. A blend of Chagga from Mount Kilimanjaro with a quality Indian coffee.

The combination of Ickworth's spectacular architecture and 1,800 acres of parkland to play in and explore, surely makes this one of the most remarkable family hotels in the UK.
