The Dolder Grand Life Balance – manicure and pedicure

The Dolder Grand Spa – where an hour or two feel like an eternity

Impeccable hands and feet are one of life's essentials, but sometimes there is just not enough time. Visit the new Nail Lounge at the En Vogue Luxurious Hair Salon where the special high-tech chair enables us to provide a comprehensive treatment programme lasting as little as 30 minutes for a manicure and 45 minutes for a pedicure. The Dolder Grand Spa beauticians use 100% natural cosmetics from Amala (Natrue certified). Simply sit back and enjoy a short break – or you can use our iPad to take care of any important work during your treatment. If you have the time for a longer treatment, even better.

Our Dolder Grand Life Balance programme helps you to be at your most beautiful.
