

Afternoon Tea Selections at The Royal Crescent Hotel

The Duke of York

Frederik Augustus 'Duke of York', was the second son of George 3rd and in 1795 he visited Bath and lodged here at the Royal Crescent. Famed for his appreciation of life's finer moments, we have named this afternoon tea in his honour.

The Elizabeth Montagu

Elizabeth Montagu was a visionary socialite; a lady of considerable wit and a brilliant conversationalist. She hosted a Bluestocking Society, by invitation here at the Royal Crescent in the 1770's, where she and friends would gather to discuss the affairs of the day and socialise. We have dedicated this afternoon tea in her honour.
