TUSCAN IRIS TREATMENT

The iris has long been associated with Tuscany, both as a civic flower, symbolizing faith and purity, and a folk remedy with a multitude of healing properties. This delicate, iconic bloom is the key ingredient of a head-to-toe treatment that sums up the resort's circle of wellbeing philosophy. After a gentle exfoliation treatment with jojoba beads and powdered iris root, comes a massage with your personal selection of our signature iris-aromatized lotions. You will emerge tingling with Tuscan health, your skin feeling velvet-smooth and profoundly rehydrated.

TUSCAN IRIS BODY PEELING

To exfoliate, nourish and pamper your skin, leaving it with a soft glow. A deep exfoliation activates the epidermis, capillary and lymphatic circulations, leaving it free of accumulated toxins, impurities and dead skin cells. After a quick refreshing shower, our signature iris-aromatized lotion is applied, leaving your skin soft and moisturized.
