To step into the sleek, sophisticated world of cocktails is to enter a zone of ageless glamour, where the mind unfrazzles, tensions unravel and the senses soak up a magnitude of sins!!

A Cocktail is an alcoholic mixed drink containing two or more ingredients, one of which must be a spirit.

Originally Cocktails were a mixture of spirit, sugar, water, and bitters, the Cocktail world has grown much since this as today a Cocktail usually consists of one or more kinds of spirit and one or more mixers, such as soda or fruit juice.

The art of mixing a great Cocktail relies on much more than simply following a good recipe. Using the right bartending techniques, ingredients and accessories are all essential aspects involved in preparing a great Cocktail.

Here, at the Fitzwilliam Hotel we love our Cocktails. We strive to give the drinker a memorable, gracious and unique drinking experience.

There is a expansive range of Cocktails on our menu with a flamboyant array of unique flavours, vivacious colours, textures and aromas.

With the help and expertise of our skilled bartenders and waiter's we will certainly find the Cocktail for you.

Prepare to dazzle your senses and be entertained by the fine art of Cocktails here at 'The Bar' at the Fitzwilliam Hotel.
