## WHAT DOES 2AA ROSETTE REALLY MEAN?

At The Old Inn, we want to give you the food that has travelled as little as possible. That's why all of our meat is Northern Irish, our fish is landed onto the shores of Northern Ireland where possible and our seasonal vegetables grown in the island of Ireland.

We change our dishes seasonally and are dedicated to freshness, because freshness means flavour.

The AA Rosettes are only awarded to restaurants that meet these high standards. We hope you feel that we deliver some of the best food in Ireland.

## LIVE MUSIC

Davy Watson plays a mix of classic blues and slow moody riffs from the last decade.
