# THE OBEROI RAJVILĀS WINE CELLAR

*We have attempted to assemble a wine cellar that encompasses a selection of some of the world's best received wine varietals and wineries. The wine selection has been compiled bearing in mind the diversity of labels and wine making styles that exist, some boutique wine makers from California to McLaren Vale have been featured along with the great houses of Bordeaux and the villages of Burgundy.*

*We would also encourage you to sample wines from our selection of 'wines by the glass'.*

*We would also like to highlight our house selections: The Chinkara Chardonnay and Chinkara Cabernet Merlot. Both these labels offer not only crisp quality but also excellent value. The Chardonnay has both fruit and spice and will compliment most seafood well, whilst the Cabernet Merlot will compliment most meat and poultry dishes. Should you wish, our team will be delighted to assist you in your selection.*
