Special procedures, rituals and travel in senses

Organic choice

90 minutes - GEL 240

120 minutes - GEL 290

The delicate ritual with nourishing and protective effect of using certified organic and natural products, for all skin types, especially for the skin, which needs nourishing and repair, ideal for sensitive skin. The ritual begins with an aromatic steam and body repair Gommage, during which the Skin Deep Exfoliation and Revitalization takes place, continues with packing and ends with an the incomparable body massage, which strengthens and restores the balance of body and mind.

Complete peace

90 minutes - GEL 240

120 minutes - GEL 290

Removing the stress, relaxing and fascinating ritual. Due to the special texture, rich flavor and a complete silence this procedure for the face and body turn into the unique, sensory ritual. The procedure is performed using a distinctive, aromatic vapor mixture, which provides facial and body skin deep nourishment, and also improves the oxygen circulation and oxygen saturation.

The long lasting beauty of the body

90 minutes - GEL 240

120 minutes - GEL 290

We offer "Longevity Complex"TM (Longevity Complex) for your maximum pleasure, whose active ingredients are effectively fighting against the first signs of aging of the body. "Longevity Complex" provides visible defects correction and prevents the emergence of the new.

Perfect face and body care procedure using dynamic massage techniques leads to stimulation of the flow of energy, gives tissue health and life force and have immediate results.

Journey to "Dosha Ayurveda"

90 minutes - GEL 240

120 minutes - GEL 290

This procedure inspired by the "Ayurveda" is a true spa journey. Therapy begins with a foot ritual, which your therapist will select for balancing your "Dosha" Vata, Pitta or Kapha. Aromatic steam and body exfoliation increase blood circulation in the skin and deeply cleanses it. Your journey will continue with "Dosha" massage, using warm vegetable oils. After massage, the body will be covered with warm mud or clay mask and packed, to allow a mixture of herbs and oils deeply penetrate the skin. Indian head massage, and stimulation of facial "Marma" points is brilliant final chord of the procedure.

Ancient ritual "RASSUL"

120 min - GEL 290

One of the exclusive offers of the "Crowne Plaza Borjomi" Spa is the ancient oriental skin care ceremony that combines the use of light, heat, warm aromatic steam, mineral-rich clay in a completely exotic atmosphere.

The total body exfoliation cleanses the skin, but various types of natural mud eliminate the toxins from the body. Aromatic steam facilitates the absorption of nutrients and minerals. Projection of the Light of soothing colors affects your mind. Gentle wellness bath will prepare the skin for application of especially blended lotions.

Especially for you: all the procedures and rituals can be performed by two therapists simultaneously with four hands, which gives you a wonderful feeling. Additional charge of GEL 180.

Yoga Therapy

"Crowne Plaza Borjomi" spa and wellness center team is happy to welcome and serve you in order to spend good time in our beautiful, unique and peaceful environment.

To make your days with us even more special and memorable, we would like to invite you to the free group of transformational yoga therapy at 6.30 am to 7.30 am, in the yoga room.

Within an hour you'll be able to enjoy yoga therapy according to the following steps:

- Warm-up
- The whole body stretching
- 'Surya Namaskar' or sun salutation
- Gymnastics
- Passive stretching
- Breathing techniques
- Meditation

For confidentiality purposes and creation of favorable conditions for you, we offer one-hour private yoga session in a separate room - GEL 50 per person and GEL 85 in case of couples. Except for all of the above components of the group session, a private yoga class also includes unique, passive stretching relaxation and rejuvenating techniques of transformational yoga;

Skin Care for men **60 minutes - GEL 180**
90 minutes - GEL 220

This procedure begins with a spinal relaxing massage, which serves to remove stress and reduce tension in the body and the mind. Deep facial cleansing, massage will restore a healthy and youthful look to the skin. The procedure ends with a relaxing mask and full moisturizing.

Triple procedure for delicate eye area **20 minutes - GEL 120**

A specific procedure will revitalize tired eyes. Special massage using products containing essences of plants reduces swelling, dull circles and eliminates wrinkles, nourishes and restores the elasticity of the skin around the eyes and gives youthfulness.

Body Professional Care

Massage "the perfect body" **60 minutes - GEL 180**
90 minutes - GEL 220

Special procedures, aimed to correct body shape and weight loss, which affects the body's problem areas and even the most powerful cellulitis together with effective diet and daily exercise.

Massage "Healthy Body" **60 minutes - GEL 180**

90 minutes - GEL 220

Wellness procedure to firm skin, restore elasticity and tonus. Nourishing and resilience repair active ingredients mud masks made of thermal water will renew the skin and stimulate collagen synthesis.

Massage during pregnancy and the postpartum period

60 minutes - GEL 180

90 minutes - GEL 220

The ideal procedure for resilience and balance recovery, pregnancy and the postpartum period. With the help of the active ingredients the skin is regenerated, stretch marks and discomfort caused as a result of swelling are reduced.

A comprehensive spinal, face and scalp procedure

60 minutes - GEL 180

90 minutes - GEL 220

120 minutes - GEL 270

It combines deep cleansing and spinal massage procedures, together with the facial skin procedure, which fits your skin condition and needs. Oriental head massage helps to clean the mind, the soul and remove the tension.

This procedure can be carried out together with the geothermal therapy (120 minutes)

Therapeutic massage

We offer the procedure especially selected for you, which only focuses on your needs and aims to relaxation, avoiding damage, balancing and activation of body and mind.

Please select the duration of the procedure from the list:

60 minutes – GEL 200

90 minutes - GEL 240

120 minutes - GEL 290

For more comfort, we offer the procedure in your room. An additional fee of GEL 80.

Geothermal massage

60 minutes - GEL 180

90 minutes - GEL 220

They say one hit of the stones is equivalent to ten ordinary hits of the massage. Heated volcanic stones emit heat, which has a calming effect on tired muscles and reduces stress and tension. The procedure includes the body and face massages. Heat and healing oils active ingredients help to remove blockage and stress. The procedure is completed with Chakra balancing therapy, upon completion you feel yourself fresh and energetic.

"Thai" massage**60 minutes - GEL 180****90 minutes - GEL 220**

This unique and powerful massage therapy combines acupressure, gentle stretching and passive yoga elements. Unlike other types of massage, "Thai" massage is more intense and energy-giving. It reduces stress, improves blood circulation, increases energy, flexibility and combines the body and mind.

"Balinese" massage**60 minutes - GEL 180****90 minutes - GEL 220**

One of the traditional Indonesian therapy "Balinese" massage is perfect for damaged tissues and stretched muscles and to influence joints. Because this type of massage affects the body's tissues, improves blood circulation using acupressure and reflexology elements, it is effective for sports injuries and migraines, muscle and joint pain, insomnia, stress, depression, allergies and respiratory problems (eg. Asthma).

"Herbal Ball" massage**60 minutes - GEL 180****90 minutes - GEL 220**

The procedure developed using "Ayurveda" principles has a calming effect. The body is covered with warm scented oils, the massage is performed with a light lymph drainage using pouches saturated with steam of medicinal herbs and spices of the unique properties, which has a detoxification effect, balances energy and enhances the relaxing effect. Powerful hitting technique calms nerves, relieves muscle and joint pain, restores the body's tissues and promotes recovery.

Deep tissue massage**60 minutes - GEL 180****90 minutes - GEL 220**

Excessive physical activity may lead to muscle and joint pain. Deep sports massage helps in relaxing and warming up the muscles, improving the movement. Enjoy a massage before and after sports activities, in order to avoid injuries and speed up the recovery process of strained muscles. The use of special oil will help to alleviate muscle tension.

Stress removable spinal massage with reflexology**90 minutes - GEL 220**

Unusual spinal, neck and shoulders massage together with the feet reflexology therapy can help reduce pain and muscle tension.

Foot reflexology**30 minutes - GEL 150****60 minutes - GEL 180**

Reflexology – is a special massage of the points located on the feet. Superficial exfoliation softens, moisturizes and restores the skin on the feet. Gentle manual stimulation of the points energizes and directly affects the organs and systems, restores energy in the body and improves lymphatic flow. This procedure can be used as a precautionary measure, as well as for improving the health.

Tension removable spinal massage

40 minutes - GEL 160

Deep spinal, neck and shoulder massage is the best way to relieve the joints and muscles from pain. This is an intense massage, which heats, manipulates and relieves muscle tension, using a variety of motion.

Bath and body rituals

"ANGEL OF WATER®" - experience Hydrocolonotherapy

60 minutes - GEL 190

The closed system Angel of Water® Borjomi mineral water is intended for intestinal irrigation, its effect is based on the self-flow caused by gravity. Its vortex-like flow has a gentle effect on the large intestine; it improves peristalsis and evacuation. You are seated comfortably during the procedure and get an unforgettable experience of hydrocolonotherapy. After the first procedure you feel pleasant lightness. Borjomi mineral water microelements complement, hydrate and contribute to intestinal flora restoration and nutrition.

Borjomi Mineral water therapy

30 minutes - GEL 150

Taking natural mineral hydro-bath is an excellent way to restore metabolism in your body, remove toxins and harmful substances from the body and saturate the skin with essential minerals. Perfect before the body relaxing massage.

Moisturizing massage therapy

90 minutes - GEL 220

Relaxing and deeply moisturizing procedure is designed specifically for treatment of dry and weathered skin. The procedure begins with a 20-minute hydrating mineral hydrotherapy bath. Bath restores elasticity and prepares the body for the massage. Intensive, moisturizing and vitamin-rich cream nourishes and moisturizes the skin.

"Cleopatra" aromatic stunning Hydrotherapy Bath

30 minutes - GEL 170

"Cleopatra" hydrotherapy spa procedure is a natural way of taking care of the mind and body. We use high quality aromatic bath oil and the "Cleopatra milk" derived thereof, has balance and energy recovery, relaxation properties. "Cleopatra" bath nourishes and hydrates your skin, stimulates muscle tonus and relieves muscle tension, gives complete peace and creates an enchanting aroma for your body and mind.

Himalayan salt steam room

30 minutes - GEL 100

Himalayan salt steam room is decorated with salt extracted from the Himalayas, which consists of 84 major minerals present in our blood. These amazing crystals have healing power of 250 million years. During the steam allocation salt mineral ions penetrate the skin and the respiratory tract, balance bio-energetically weak points, stimulate regeneration and lead to deep relaxation.

Private spa suite

2-hour session GEL 360

Our spa rooms offer your own hydrotherapy pool or bath, a shower, relaxation zone and steam room. Enjoy specially selected spa procedures in your own paradise. Suites are ideal for individuals, couples, families or groups and spa celebrations.

The minimum booking time for spa room is 2 hours, with the exception of the treatment procedures.
