Treatment Suggestions

Drink plenty of clear liquids before and after treatments to keep your body hydrated. Avoid consuming coffee or alcohol prior to your massage. If you are pregnant, have high blood pressure, a heart condition or recent surgery, it is recommended that you avoid treatments involving heat and deep pressure.

What to Wear

Please wear loose, comfortable clothing. Your therapist will leave you to disrobe in private in your treatment room and is trained to keep you properly draped during your treatment.

Cancellation Policy

Treatment times are reserved especially for you. There is a 50% penalty for any appointment changes or cancellations with less than 24 hour notice. All no shows will be charged in full. As a courtesy to other guests, late arrivals will only receive their remaining available appointment time.
