Seafood Fatteh

60,000

embark on a culinary journey. Fatteh is an ancient delicacy served all over the Levant. Family recipes have been passed down from generation to generation. Every region uses a local variation of ingredients: from pickled meat in Egypt to eggplant and chickpeas in Lebanon. At Pier 78, we've added our signature touch: 5 star perfection. Carefully prepared with locally caught shrimps and fish, our fatteh is a celebration of culinary heritage and Kempinski excellence.
