BLACK TEA

140

English Breakfast

A harmonious blend of teas from Ceylon, India and China. The addition of Chinese tea brings balance and maturity, enabling it to be enjoyed any hour of the day.

Darjeeling 2nd flush

From the Northern Indian plantations, situated on the Himalayan foothills between Buthan, Nepal and Sikkim. This specific tea gives a strong cup to which milk can be added.

WHITE TEA

140

Passion de Fleurs

Delicate white tea, composed by the subtle rose, apricot and passion perfumes, sprinkled with rose petals. It delivers a fresh and most flavoursome brew.

AROMATIC BLACK TEA

140

Earl Grey

The most famous flavoured tea, with its antique Chinese recipe, comes from a simple blend of south China teas with fine bergamot from Calabria. Simple and reliable for ail connoisseurs. Perfect for the afternoon and evening tea.

Lapsang Souchong

To Westerners, this is a Chinese tea, whilst to the Chinese, this is a foreigner's tea. From either perspective its pungent smoky flavour, which is due to its withering on fresh pine wood fire, has become a classic, one who makes a great accompaniment to savory dishes.

Caramel Toffee

A blend of black teas with intense notes of caramel toffee decorated with pieces of papaya. Ideal with cakes and pies during a snack.

DAMMANN FRÈRES - FINE FRENCH TEA

served in our Park Lounge signature silver pot containing 300 ml per serve

GREEN TEA

140

L'Oriental

China Sencha green tea is blended with passion fruit, bush peach and wild strawberry flavours, and embellished with fruits pieces and flower petals to deliver a highly fragrant, smooth and fresh cup.

Oolong Fancy

A semi-fermented tea with large, crumpled leaves. The liquor is amber and clean with a delicious chestnut aroma. As with all oolongs, the tea possesses a low level of caffeine. Ideal as an evening drink, nestled next to an open fire.

Jasmin Chung Hao

Produced from a green tea of remarkable quality, mixed with fresh jasmine flowers until the tea is imbued with their delicate perfume. Of a fine liquor this fusion makes an excellent accompaniment to Asian cuisine.

Yunnan Vert

The Yunnan province produces almost exclusively black, sombre teas. However, delicate green teas can also be found there, such as this example, which gives a bright, yellow liquor. The infusion exhibits green and fruity notes with an enduring finish.

DECAFFEINATED TEA

130

Decaffeinated Ceylon tea with a touch of vanilla aroma

DAMMANN FRÈRES - FINE FRENCH TEA

Tisane de la Reyne

Deliciously spicy, an intense and fragrant herbal tea, this fusion of herbal elements embodies all the virtues of ginger bits, verbena, lime blossom, rosehip peels, flower petals, lime essential oil and passion fruit flavour. A harmony of flavours not to be missed.

Provence

Blend of hibiscus flowers, apple bits, rosehip and orange peels, and flower petals, flavoured with apricot and peach flavours.

Peppermint

A hardy, herbaceous plant, peppermint is harvested during summer before it flowers. Known for its strong menthol aroma, this infusion is widely appreciated; it lends itself gladly to aromatise syrups or fruit salads.

Chamomile

Cultivated in Eastern Europe where the harvest takes place from May to June. The infusion, which has bright yellow colour, carries a sweet and fruity taste with pineapple notes.
