Cazuela - 1900's . Somewhere in Jalisco . Mexico . 100% Agave Tequila . Orange . Lemon . Lime . Grapefruit . Salt . Lemonade .	19

W Nihonshu (Sake) Flavouring Map

Sake is a Japanese rice wine made by fermenting rice that has been polished to remove the bran. Unlike wine, in which alcohol (ethanol) is produced by fermenting sugar that is naturally present in grapes, sake is produced by a brewing process more like that of beer, where the starch is converted into sugars, before being converted to alcohol.
