

Private Barbeques

A private barbeque is a highlight of any stay at Trisara. We can arrange the BBQ in the privacy of your villa or on our beach. See the menu below and note that we require 24 hours notice as we are limited in the number we can prepare each evening. Dial 5 for reservations.

Choose from 2 meat or seafood dishes per person plus 2 salads to share. Side dish and dessert is also included in the price and your waiter will take a dessert order from you in your villa.
