Body treatments *Mary Cohr*

*Slenderized figure,
firmed up body,
toned skin...*

Make your body more beautiful, more slender, imbuing it with natural well-being and serenity by means of the professional manual SPA AROMATIQUE CORPS treatment which is available in three different versions:

1. SPA AROMATIQUE CORPS "SLENDERIZING"

(approx. 1 hour and 20 min.)

Combining the anti-fat action of the slenderizing essences and anti-retention properties of the Slenderizing Masque developed to sculpt the silhouette and visibly reduce accumulations of cellulite.

euro 98,00

3. SPA AROMATIQUE CORPS "LIGHT LEGS"

(approx. 1 hour and 20 min.)

The "light legs" massage and the Ice Legs lotion together relieve the legs of heaviness thanks to the bracing, refreshing action. That dull, heavy feeling will vanish, leaving your legs soothed and significantly lighter.

euro 98,00

2. SPA AROMATIQUE CORPS "RELAXING"

(approx. 1 hour and 20 min.)

This journey begins with a luxurious mango gommage and relaxing massage featuring soothing essential oils. Your tensions will melt away as the muscles of your entire body loosen up and relax.

euro 98,00

SOIN MINCEUR FERMETÉ

(approx. 1 hour and 20 min.)

This treatment combines relaxation with extremely effective results based on the multifaceted action of its components. "4 Treatments in 1" act simultaneously on: cellulite, adipose tissue, atonia and retention.

(approx. 50 min.)

Natural exfoliants remove dead cells delicately from sensitive areas by means of papaya enzymes and by means of bamboo grains from the rougher areas, leaving the skin smooth and silky.

euro 65,00

LUXURIOUS MANGO PEEL

(approx. 25 min.)

It eliminates impurities. The natural suppleness and silkiness of the skin is restored, preparing it to receive further deep penetrating treatments.

HAY PEELING

(approx. 25 min.)

euro 40,00

Wraps ...

In addition to their aesthetic benefits (they are excellent for countering the unsightly effects of cellulite), body wraps are also helpful when it comes to reducing muscle pain that can occur after

strenuous physical activity. The synergy of the essential oils and the natural clay enable them to provide relaxation while acting to reduce localized rotundity, as well as in the treatment of diminished

tone. Known for the vaso-dilator, drainage and anti-inflammatory properties, they play an important role in firming anti-cellulite treatments.

Alpine - healthcare baths...

Try out the pleasure of a reinvigorating, detoxifying steam bath or a moisturizing, soothing one. The alpine-healthcare baths feature the authentic wealth of products offered by the alpine region, combining tradition and innovative technique. The VITALIS (protected by a European patent) makes it possible to combine the treatment with heat and/or steam. It dissolves the steam into tiny molecules. This micro molecular steam builds the ideal support for the wonderful alpine substances. Immerse yourself in the delightful world of the alpine tradition and experience the pleasure of a top-quality alpine treatment.
